We are really looking forward to welcome you all back and start celebrating Christmas here in The Ashley Centre with all of you.

Things will be a little different this year due to the restrictions so there will be no carol singing or Christmas lights switch on event but we are going to be putting on some amazing virtual events including a Christmas Grotto where you can meet Father Christmas online. All money raised from the Grotto will go to four local charities. There will also be a photo opportunity to become an angel by posing in front of the beautiful angel wing wall that will be situated opposite Quest!

This Christmas our retailers are offering an eclectic mix of exciting and interesting gifts for all ages. The wide range of shops in the Centre means visitors have a great choice from well-known high street names as well as one of a kind gifts from our independent stores.

Waitrose, Marks and Spencer, White Stuff, Boots, Superdrug, Sports Direct and WHSmith all have a wide range of special presents for all ages. For something a bit more unusual why not try Hatty's Sweet Shop for a bespoke hamper or Spiritual Quest for their extensive range of fantastical products. Toy Barnhaus can provide a wide range of toys from party bags to the latest toy craze, and Bamboo Basket offers a unique range of high-quality oriental products including teas, teapots and chopsticks.

We look forward to welcoming you to The Ashley Centre for all your Christmas requirements this year and wish you a very happy festive season.

Wishing you all a Merry Christmas.

MAKE EPSOM *Sparkle* THIS CHRISTMAS SHOP LOCAL!

'Tis the Season to LOVE LOCAL!

There's no doubt that this year, getting shopping delivered straight to your door went from convenient to critical. We started to see our own high street with fresh eyes. Popping to the shops - something we took for granted pre-Covid - suddenly felt more meaningful, a chance to connect. We understood that a town is what you make it.

So this Christmas, support your favourite cafe, bookshop or bakery to make sure Epsom's historic high street survives. No one is suggesting you abandon online shopping altogether, just find a balance between bricks and clicks. Back the businesses that are the heart and soul of our community, the places that employ local people and keep the streets buzzing with colour and life.

Sure, the festivities will look a little different this year, but there's still plenty going on as you'll see in this guide, including a kids' trail, competitions, vibrant markets and plenty of gift ideas. From food to fashion, toys to technology and all those little last minute essentials (wrapping paper! chocolate coins!) Epsom's got you covered, [with enhanced cleaning measures meaning you can shop with confidence.]

A NEW CREATIVE FLAVOUR FOR EPSOM

As we head towards the New Year, a traditional time to reflect on personal goals and resolutions, an opportunity to do something completely new is around the corner.

The HORTON, Epsom's new independent venue for creative arts, heritage and events, will be entering the final fit-out phase - getting ready to open in 2021.

The former chapel, that was part of Epsom's historic cluster of five hospitals, has been renovated and converted. Stunning historic features of the listed building have been enhanced, alongside accessible, contemporary facilities. The HORTON will be bringing a new flavour to Epsom & Ewell.

So, if you're looking forward to exploring your creative side, meeting friends indoors or outdoors, finding out fascinating facts about hidden history, feeling the thrill of live music, or taking the children to see a magical performance in a unique space, the countdown has begun.
